

MESSAGE FROM THE PRINCIPAL

Dear Students,

As we step into the heart of the academic year, July invites us to reflect, refocus, and rise. The monsoon rains remind us that growth often begins beneath the surface—quiet, steady, and full of promise.

Let this month be a time to nurture your curiosity, strengthen your friendships, and deepen your commitment to learning.

*Warm regards,
Principal*

Investiture Ceremony

The Investiture Ceremony of our school was held on 5th July 2025, shining an atmosphere of pride, purpose, and celebration. This solemn occasion marked the formal installation of the newly elected Student Council, entrusted with the responsibility of upholding the school's values and leading by example.

The event commenced with a warm welcome and a ceremonial march, showcasing the discipline and dedication of the council members. Badges and sashes were conferred upon the young leaders by the Correspondent of the school symbolizing their commitment to serve the school community with integrity and enthusiasm.

The Principal's address inspired the council to embrace their roles with humility, courage, and a spirit of collaboration. The ceremony concluded with the council's pledge to uphold their duties and contribute positively to the school's growth and ethos.

CBSE Teachers Training Programme

A two-day capacity-building workshop for our teaching faculty was conducted on 11th and 12th July 2025, under the aegis of CBSE, focusing on the theme: "Strengthening Assessment & Evaluation Practices."

The sessions were led by esteemed resource persons Mrs. Iffat Ibrahim and Mrs. Hema Madabush, who brought deep expertise and practical insights into evolving assessment strategies. Through interactive discussions, case studies, and hands-on activities, teachers explored innovative approaches to formative and summative evaluation, aligning with NEP 2020 and CBSE's latest guidelines.

The training empowered educators to refine their assessment techniques, promote competency-based learning, and ensure holistic student development. It was a valuable step toward enhancing academic rigor and reflective teaching practices across the school.

Student Council Meeting

On 14th July 2025, a strategic meeting was convened between the Principal, Coordinators, and the newly inducted Student Council to align leadership goals and set the tone for the academic year ahead.

The Principal opened the session with an encouraging address, emphasizing the importance of collaboration, accountability, and student-led initiatives. Coordinators shared key

academic and co-curricular priorities, while council members presented their vision for enhancing student engagement, discipline, and school spirit.

Bonalu Celebration – Pot Decoration with Colour Impressions on the Card (UKG)

On 19 July 2025, our UKG students joyfully celebrated Bonalu through a creative pot decoration activity using colour impressions on festive cards. This vibrant initiative introduced children to the cultural richness of Telangana's Bonalu festival while nurturing their artistic expression.

Each child decorated a printed card featuring a traditional pot outline, filling it with bright colour impressions that symbolized devotion and festivity. The activity encouraged fine motor skills, creativity, and cultural appreciation in a playful and engaging manner.

Teachers guided the little ones with warmth and care, ensuring a safe and joyful experience. The finished cards, adorned with vivid hues and tiny handprints, were proudly displayed in classrooms—radiating the spirit of Bonalu and the charm of early childhood artistry.

LKG Fancy Dress Competition

The school hosted a delightful Fancy Dress Competition for LKG students on 25th July 2025, celebrating creativity, confidence, and joyful expression among our youngest learners.

Dressed as community helpers, nature's wonders, national icons, and imaginative characters, the children lit up the stage with their vibrant costumes and charming introductions.

Each participant had a moment to shine, confidently presenting their chosen persona with enthusiasm and innocence.

Such events play a vital role in nurturing self-expression, stage presence, and thematic understanding in early childhood education.

Vision Screenings by LVPEI

As part of our commitment to student well-being, the school hosted a three-day Vision Screening Camp from 28th to 30th July, conducted by the esteemed team from the L V Prasad Eye Institute. The initiative aimed to identify common eye conditions among school-going children through basic eye examinations and vision assessments.

The screenings helped raise awareness about eye health and early detection of vision issues, ensuring timely support needed. We extend our heartfelt thanks to LVPEI for their expertise and dedication, and to our staff and students for their enthusiastic participation.

First CBSE Expression Series

On 28th July, our students enthusiastically participated in the First CBSE Expression Series of the academic year 2025–26. This nationwide initiative celebrates creativity and critical thinking through literary expression.

Competitions were held across different categories, including paragraph writing, essay writing, and poetry composition. Students showcased their ideas with clarity and imagination, reflecting diverse perspectives and thoughtful engagement with the given themes.

“Ek Ped Maa Ke Naam 2.0” – Tree Plantation Drive World Environment Day

In celebration of World Environment Day, our school proudly participated in the “Ek Ped Maa Ke Naam 2.0” campaign—a heartfelt initiative that beautifully intertwined environmental stewardship with family bonding.

Students were encouraged to plant saplings alongside their mothers, symbolizing love and care for both their maternal bond and Mother

Earth. The activity not only promoted ecological awareness but also deepened the emotional connection between children and their parents through shared action and purpose.

Assembly on *Sadak Suraksha Abhiyan* – Class VII Tulip

On 30th July, Class VII Tulip conducted a thought-provoking assembly on *Sadak Suraksha Abhiyan*, highlighting the urgent need for road safety awareness and responsible behaviour on our streets.

A key message of the campaign was the immense potential of children to act as agents of change.

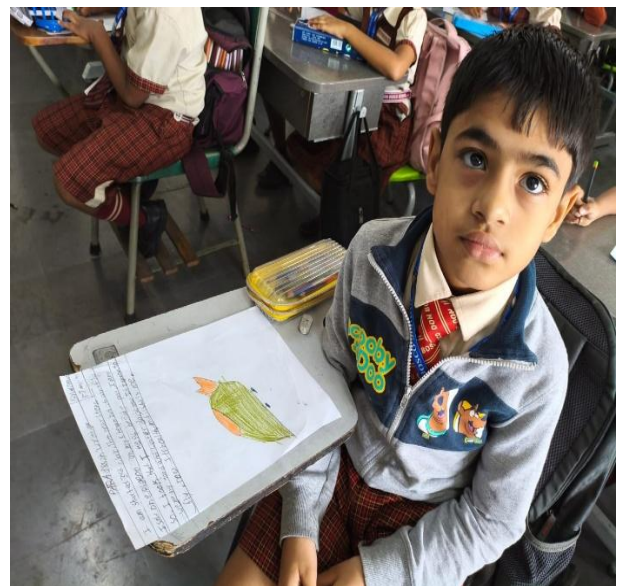

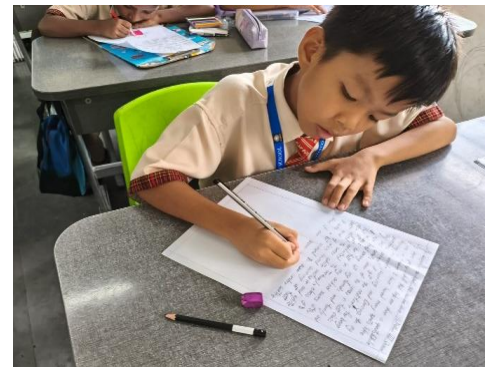

By instilling the value of life, understanding traffic rules, and encouraging better habits, the initiative aimed to build a culture of safety and accountability from a young age.

We applaud Class VII Tulip for their powerful advocacy and commend their efforts in making this campaign both educational and inspiring.

Creative Writing Corner For grade 3-5

Students of Grades 3 to 5 explored their imagination and self-awareness through the topics “My Super Power – Skills That Help Me Shine” and “How I Solve My Problems.”

This activity encouraged them to reflect on their unique strengths, problem-solving abilities, and positive mindset. The young writers expressed their ideas with creativity and confidence, showcasing how every child possesses the power to shine in their own special way.

Waste Management Awareness Program

On 31st July 2025, our school hosted a vital awareness program on waste management, organized in collaboration with the Bandlaguda Jagir Municipal Corporation, Ranga Reddy district. The session aimed to educate students on sustainable practices and the importance of maintaining a clean and green environment.

Students from Classes IX and X actively participated in the program, gaining valuable insights into responsible waste disposal, segregation techniques, and the broader impact of civic hygiene. The resource person for the event was Shri B. Sharath Chandra, Municipal Commissioner of Bandlaguda Jagir, whose inspiring address encouraged students to become proactive stewards of their surroundings.

The initiative reinforced our commitment to environmental consciousness and empowered students to lead by example in promoting cleanliness both within and beyond the school campus.

Orange And Green Day Celebration Pre-Primary

On 5th July 2025, our young learners joyfully celebrated *Orange & Green Day*—a vibrant initiative designed to introduce and reinforce colour recognition through experiential learning.

The classrooms came alive with real-life objects and themed activities centered around the colours orange and green. From juicy oranges and carrots to lush leaves and

green vegetables, students explored the world of colours through touch, sight, and play. Engaging activities such as sorting games, art and craft, storytelling, and colour-themed songs added to the excitement.

This hands-on celebration not only enhanced the children's understanding of colours but also sparked creativity and sensory exploration in a joyful, inclusive environment.

Rainy Day – Blue Day Celebration

On 10th July 2025, our little learners celebrated *Rainy Day – Blue Day* with joyful creativity and hands-on exploration. The event was designed to introduce the colour blue and the theme of rain through engaging, sensory-rich activities.

Children created delightful scrapbook art by pasting soft cotton to represent clouds and using their index fingers to make raindrop impressions—bringing the rainy season to life with imagination and fun. The activity helped enhance fine motor skills, colour recognition, and seasonal awareness in a cheerful and interactive way.

The classrooms echoed with laughter and excitement as students proudly displayed their rainy-day masterpieces, making it a memorable experience for all.
