SCHOOL NEWSLETTER JUNE 2025

MESSAGE FROM THE PRINCIPAL

Dear Students,

Welcome to a brand-new academic year! June marks not just the beginning of new timetables and textbooks, but the unfolding of fresh possibilities, renewed goals, and exciting journeys ahead.

As you step into your classrooms, I encourage you to bring with you a spirit of curiosity and courage. Whether you are returning with familiar faces or joining us anew, know that you are part of a vibrant community that values your growth, your voice, and your dreams.

This month, we lay the foundation for the year to come. Orientation sessions, classroom routines, and early assessments are not just formalities—they are opportunities to build habits of excellence, empathy, and responsibility. Let us begin with intention: set goals that challenge you, embrace routines that support you, and cultivate friendships that uplift you.

Remember, success is not measured only by marks or medals, but by the effort you invest, the kindness you show, and the resilience you build. Your teachers are here to guide you, and your school is here to empower you.

Let June be a month of beginnings -where you plant the seeds of ambition, water them with discipline, and watch them grow into achievements that make you proud.

Wishing you a joyful and purposeful start to the year.

*Warm regards,
Principal*

World Environment Day 2025

Our school organised a plantation drive to celebrate *World Environment Day* on 5th June. Students from Classes 11 and 12 planted saplings in our school campus to mark the occasion. Our school's environmental conservation activities will continue throughout the academic year as a part of our Eco Club / Don Bosco Green Alliance initiatives.

National Reading Day 2025

Don Bosco School, Bandlaguda, Hyderabad commemorated *National Reading Day* on June 19th, 2025 during the Class IX (Lotus) school assembly. The event featured a special briefing on P.N. Panicker, revered as the Father of the Library Movement in India, highlighting his lifelong dedication to literacy and reading culture.

Students pledged to embrace reading as a daily habit, marking the beginning of *National Reading Month*, which continues until July 18th, 2025. Throughout this period, students will engage in reading activities using both our school library and digital platforms, and will share their reflections by submitting book reviews to our School Librarian.

National Reading Month, which continues until July 18th, 2025.

Throughout this period, students will engage in reading activities using both our school library and digital platforms, and will share their reflections by submitting book reviews to our School Librarian.

International Yoga Day

On June 21st, 2025, Don Bosco School, Bandlaguda, Hyderabad celebrated *International Yoga Day* with great enthusiasm in the school's Multipurpose Hall. The event witnessed wholehearted participation from both teachers and students, who came together to explore the benefits of yoga for physical, mental, and emotional well-being. The session fostered a spirit of mindfulness and unity,

reflecting the growing commitment within our school community to embrace holistic wellness practices. The collective energy and eagerness to learn highlighted yoga's enduring relevance in nurturing balanced, healthy lifestyles.

IIT Foundation Course

Building Strong Roots for Future Excellence

At our school, we are proud to launch the **IIT Foundation Course** for students of Grades 6 to 9, beginning June 2025. This initiative is designed to nurture academic excellence and conceptual clarity in the core subjects of **Mathematics, Physics, Chemistry, and Biology**.

Our primary goal is to strengthen students' understanding of fundamental concepts and foster a deep, lasting grasp of subject matter. Through structured teaching, consistent practice, and gradual progression from basic to advanced levels, we aim to build a strong academic foundation that will empower students in their future learning journeys.

Key Features of the Program:

- **Conceptual Clarity:** Lessons are revisited and enriched with additional insights to deepen understanding.
- **Progressive Learning:** Questions evolve from easy to moderate and challenging levels, encouraging analytical thinking.
- **Monthly Assessments:** Regular exams help track progress, reinforce learning, and identify areas for improvement.
- **Holistic Development:** Beyond academics, we focus on building confidence, curiosity, and a growth mindset.

This course is not just about preparing for competitive exams—it is about cultivating a love for learning and helping students **stand out in their peer group** through consistent effort and guided excellence. We believe that with the right support and motivation, every student can rise to their potential and thrive in the years ahead.

Thanks & Regards,

IIT Foundation Course Faculty and Management

Don Bosco School

Entrepreneurship Club in Our School

The **Entrepreneurship Club** in our school helps our Classes 11 and 12 Business students develop creativity, leadership, and entrepreneurship skills. It encourages innovative thinking and provides opportunities to learn

about starting and managing a business. The club conducts various activities such as idea-pitching sessions, and competitions to promote teamwork and problem-solving. In addition, they also raise funds to support the poor and needy. Through these activities, students gain confidence and learn the importance of planning, communication, and financial management. The club aims to nurture future entrepreneurs who can contribute positively to society.

Scouts and Guides Organisation in Our School

The Scouts and Guides organisation in our school was started a few years ago with the aim of developing discipline, teamwork, and a spirit of service among students. Over the years, it has grown steadily, and today around 200 to 300 students are proud members of this

organisation. The Scouts and Guides play a very important role in all school programmes and activities. They assist in maintaining discipline during various occasions, help in organising events, and represent the school with pride and dedication. Their active participation reflects the true values of responsibility, leadership, and community service.

Human Rights Club in Our School

The Human Rights Club in our school plays an important role in spreading awareness about equality, justice, and respect for all. The club meets one to two times a month to discuss various human rights issues and plan activities. They organize competitions such as poster-making and notice board display to encourage creativity and awareness among students. At present, the club has about 50 active members who work together to promote the values of kindness, empathy, and human dignity within the school community.

Don Bosco Green Alliance

Don Bosco Green Alliance is a global network of young people from Don Bosco institutions working together to protect and nurture the environment. The alliance promotes eco-friendly practices, spreads awareness about climate change, and encourages sustainable living.

Its main focus areas include combating pollution, promoting renewable energy, and caring for all forms of life on Earth. Through various green activities and campaigns, members aim to create a cleaner, greener, and more sustainable planet.

School Band Group

The school band group is an important part of our school. It consists of talented students who play musical instruments. The band adds rhythm and energy to various school functions and ceremonies. They lead the school parade during important events, welcome guests with their tunes, and make every celebration lively and memorable.

Their performance reflects discipline, teamwork, and dedication, making them a proud part of our school community.

Don Bosco Sports Academy

Aksharabhyasam Ceremony – Nursery

On June 21st, 2025, Don Bosco School, Bandlaguda, Hyderabad hosted a joyful Aksharabhyasam ceremony for our Nursery tiny tots, marking their formal initiation into the world of learning.

This traditional rite of passage was celebrated with reverence and delight, as young learners took their first steps into literacy under the guidance of their teachers and the blessings of their families. The event reflected the school's commitment to nurturing early childhood education with care, culture, and celebration.

Parent-Child Activity: Eco-Friendly Family Photo Frames

On June 23rd, 2025, Don Bosco School, Bandlaguda, Hyderabad hosted a delightful Parent-Child Activity, where families came together to craft photo frames using eco-friendly and recycled materials.

The event celebrated creativity and bonding, as parents and children collaborated to design meaningful mementos that reflect both environmental responsibility and cherished family moments. It was a joyful reminder of the power of togetherness and the importance of nurturing eco-conscious values from an early age.

Red & Yellow Day – Paper Collage Activity

On June 28th, 2025, Don Bosco School, Bandlaguda, Hyderabad celebrated Red & Yellow Day with a vibrant and engaging paper collage activity centred around the theme of an apple.

Our youngest learners explored the joy of colours and creativity as they crafted apple collages using red and yellow paper. The activity not only reinforced colour recognition but also encouraged fine motor skills and artistic expression in a fun, hands-on environment.
