Healthy Food Month

🍏 (Nurturing Healthy Habits)

Throughout September 2025, our school proudly observed **Healthy Food Month**, emphasizing the importance of balanced nutrition and mindful eating among students. During this initiative, only nutritious items such as fruits, dry fruits, and wholesome snacks were permitted during school hours. Teachers conducted regular checks during snack breaks to ensure adherence to the healthy food policy, fostering awareness and responsibility in our young learners. The month-long campaign encouraged students to make better food choices and embrace a lifestyle rooted in wellness. We thank our staff and parents for their support in cultivating healthy habits that will benefit our students for years to come.

Bathukamma Festival

A Colourful Exploration by Pre-Primary Learners

As part of the Bathukamma festival celebrations, our Pre-Primary children engaged in a delightful art activity that blended tradition with playful creativity. Using ladies' finger as a natural stamping tool, the children explored a variety of colours to create their own vibrant representations of Bathukamma—a floral emblem of Telangana's cultural heritage. We applaud our educators for guiding this imaginative journey and thank our little artists for their joyful contributions to this cultural tribute.
