SCHOOL NEWSLETTER SEPTEMBER 2026

Message From The Principal

Dear Students,

September is a month of steady progress and renewed focus. As the academic year advances, let us continue to nurture curiosity, discipline, and teamwork. Students are encouraged to approach each day with dedication and positivity, while parents play a vital role in guiding and supporting them through this journey. Together, we can make September a time of meaningful learning, growth, and shared achievements. Let us move forward with confidence and enthusiasm.

Wishes,
Fr. Principal

Janmashtami Celebration at Don Bosco School

Our little Krishnas and Radhas came dressed in adorable traditional attire and enthusiastically celebrated Janmashtami. The children also enjoyed special fun-filled classroom activities.

Celebrating Our Mentors: Teachers' Day at Don Bosco School

Teachers' Day was celebrated with great joy and enthusiasm at Don Bosco School Bandlaguda on 5th September 2026. The celebration was organised by the students to express their gratitude and appreciation for the teachers who guide and inspire them.

The celebration began in the classrooms, where students wished their class teachers and subject teachers a Happy Teachers' Day. Later, all the teachers gathered in front of the Bosco Block office, where students presented Teachers' Day badges to them.

The Chief Guest for the occasion was our Correspondent, Rev. Fr. K. T. Jose. He delivered an inspiring message to both the teachers and students, highlighting the importance of teachers and their dedicated service in shaping young minds.

The teachers were then accompanied by the Scouts and Guides and the School Band to the Multipurpose Hall for the formal celebration. The programme included a variety of cultural performances such as dances, songs, speeches, karate and taekwondo demonstrations, and other entertaining presentations. A special feature of this year's celebration was the introduction of teachers according to the subjects they taught, while a presentation highlighting them was displayed on the screen.

Our Principal, Rev. Fr. Nathan, also shared a short message on the occasion. He expressed his heartfelt appreciation to all the teachers for their hard work, dedication and valuable service to the school.

Towards the end of the formal programme, one of the coordinators delivered a vote of thanks on behalf of all the teachers. The teachers expressed their gratitude to the school management and the students for organising such a wonderful and memorable celebration.

After the formal programme, the Students Council organised various fun games for the teachers. The teachers participated enthusiastically and enjoyed a joyful time together. The celebrations continued at the Provincial House, where a special Teachers' Day lunch was arranged. At the end of the lunch, the teachers were presented with gifts as a token of appreciation.

Student-Led Movement: Screen Smart, Live Smart

Date: 7th September 2026 | Grade 4

As part of the student-Led Movement (SLM), our students took the initiative to spread awareness about “Screen Time and Its Effects.” On 7th September, students from Grades 4 students visited Grades 2 & 6 classrooms and conducted interactive presentations, sharing important messages about the responsible and mindful use of digital devices.

The highlight of the initiative was the Grade 4 students’ assembly presentation for the higher grades. With confidence and enthusiasm, the children interacted with teachers and parents, shared what they had learned and highlighted the importance of maintaining a healthy balance between screen time, studies, sleep, physical activity, hobbies and social interaction.

The students also encouraged everyone to take regular breaks while using digital devices and to be mindful of excessive screen exposure. Going beyond the classroom, our Grade 4 children became “Screen-Smart Ambassadors”, reaching out to parents and gently reminding them about the harmful effects of prolonged screen time.

The activity provided valuable opportunities for students to develop leadership, confidence, communication, teamwork and presentation skills.

More importantly, it encouraged peer-to-peer learning and gave students the opportunity to reflect on their own digital habits.

It was truly heartwarming to see our children move beyond simply learning a message to becoming messengers of positive change.

Little voices. Meaningful messages. Big impact.

Through this initiative, our students took a step towards becoming more responsible, aware and Screen Smart digital citizens.

International Literacy Day

International Literacy Day is celebrated every year on 8th September to remind us that literacy is a fundamental human right and the foundation for a better, more peaceful, inclusive, and sustainable world. International Literacy Day was observed on 8 September in our school with the aim of promoting the importance and joy of reading.

Students actively participated in a book-reading activity, spending time reading books of their choice.

The initiative encouraged students to develop a regular reading habit and highlighted the role of literacy in personal growth, learning, and building a better society.

Literacy empowers individuals with knowledge, builds confidence, opens doors to opportunities, and helps create a brighter future for all.

Let us promote the joy of reading, the power of knowledge, and the importance of education in building a better world.

Happy International Literacy Day!

Class IX Lotus

World Brotherhood Day

World Brotherhood Day was celebrated in our school with a special assembly conducted by Class III Tulip. The students presented a meaningful programme highlighting the values of brotherhood, unity, love, kindness and mutual respect. Through their presentation, they reminded everyone of the importance of living together peacefully and caring for one another. The assembly was well organised and conveyed a beautiful message of togetherness and harmony.

Picture Composition

Students of Class 1 participated in a Picture Composition activity based on the theme "A Park," while students of Class 2 composed sentences based on the theme "Family and Neighbourhood." The activity encouraged students to observe the pictures carefully, express their ideas, and develop their sentence-writing and creative expression skills. Students wrote 4-5 sentences based on the given pictures

Nasha Mukh Abhiyan – Awareness Assembly

On 15 September, Class VII Lotus conducted a special assembly on Nasha Mukh Abhiyan, aimed at creating awareness among students about substance abuse, its harmful effects, and the importance of staying away from addictive habits. The students highlighted the causes and consequences of substance abuse and shared practical steps to overcome and prevent such harmful habits. The programme also encouraged students to make healthy choices and positively influence those around them. Through such awareness programmes, we, as a school community, are making our small but meaningful contribution towards creating a healthier, safer, and drug-free society.

Math Olympiad – Think, Solve, Excel!

On 15 September, our young mathematicians from Grades 3, 4, and 5 enthusiastically participated in a Math Olympiad. The session was filled with curiosity, excitement, and a spirit of healthy competition as students challenged themselves with thought-provoking mathematical problems. Their active participation and eagerness to solve each challenge made the event a wonderful celebration of logical thinking, problem-solving, and mathematical confidence!

Eco-Friendly Family Photo Frame Nursery Parent & Child Activity

Our little Nursery stars had a wonderful time creating beautiful Eco-Friendly Family Photo Frames along with their parents.

Using simple, sustainable and reusable materials, children and parents worked together to design unique photo frames that beautifully reflected their creativity and the love of family. The activity encouraged teamwork, imagination, environmental awareness and joyful parent-child bonding.

It was heartwarming to see our little ones actively participate, proudly showcase their creations and cherish the beautiful memories of creating something special with their families.

Creating memories, celebrating family and caring for our planet!

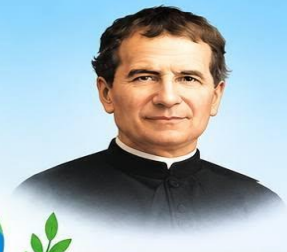

DON BOSCO SCHOOL BANDLAGUDA

International Day of Peace

— Together for a More Peaceful World

INTERNATIONAL DAY OF PEACE

The International Day of Peace is observed all over the world on 21 September every year. The day was declared by the United Nations General Assembly in 1981 through Resolution 36/67, and the first Peace Day was observed in 1982. Since 2001, the General Assembly has declared 21 September as a day of non-violence and ceasefire.

It is a day dedicated to strengthening the ideals of peace among all nations and peoples and promoting harmony, compassion and understand on this occasion, Class 2nd Rose conducted a special assembly to mark the International Day of Peace and to share the importance of peace with everyone in the school

E-Waste Collection Campaign at Don Bosco School Bandlaguda

As part of our commitment to creating a cleaner and more sustainable environment, members of the Don Bosco Green Alliance Club took the initiative to organise an E-Waste Collection Campaign in our school. The students prepared special E-Waste Collection Bins and went from class to class, spreading awareness about the importance of responsible e-waste disposal. They encouraged students to bring and donate unused electronic waste lying at home, such as old batteries, earphones, mobile phones, chargers and other small electronic items.

Through this simple yet meaningful initiative, our young environmental ambassadors are learning that every small action can make a big difference.

Let us reduce e-waste, recycle responsibly and work together towards a cleaner, greener and healthier future!

“Don’t throw it away—give e-waste a responsible way!”

Parent-Teacher Meeting

for Classes XI and XII

The Parent-Teacher Meeting for Classes XI and XII was held on 12 September 2026 at Don Bosco School, Bandlaguda. The meeting provided an opportunity for parents and teachers to interact and discuss the students' academic progress, attendance, discipline, and overall development. Teachers shared valuable feedback and suggestions to help students improve and perform better. The meeting also strengthened the partnership between parents and teachers in supporting the students' educational journey.

My Learning Showcase

Classes 1 and 2

As part of our **Term-1 Revision**, we conducted an engaging activity called “**My Learning Showcase.**” The aim of this activity is to understand how well our young learners have understood the topics already taught in the classroom and to identify any learning gaps that may need further support during the revision period.

Parents were invited to record a short 2–3-minute video of their child explaining any one topic that had already been taught in class. The video included both the parent and the child, with the child explaining the topic in their own words rather than simply reading from the textbook.

The activity provided our young learners with a wonderful opportunity to express their understanding, build confidence, and showcase their learning.

Ek Ped Maa Ke Naam – Mother & Child Plantation

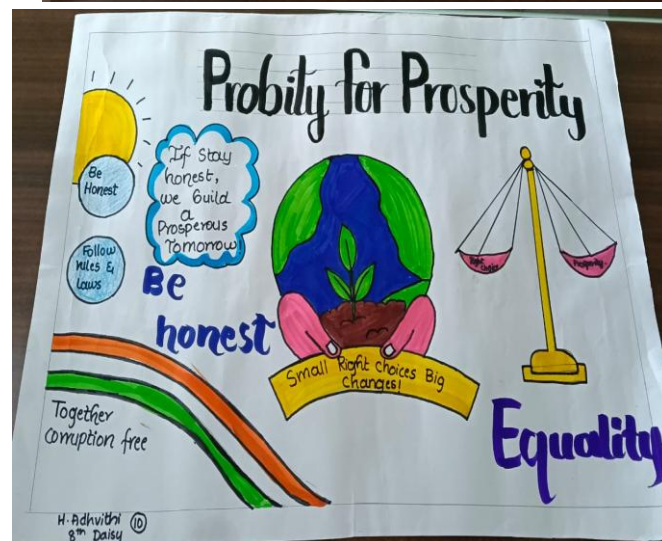

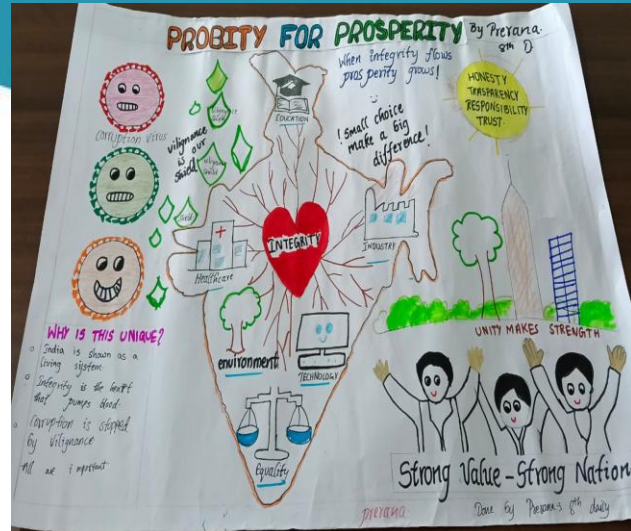

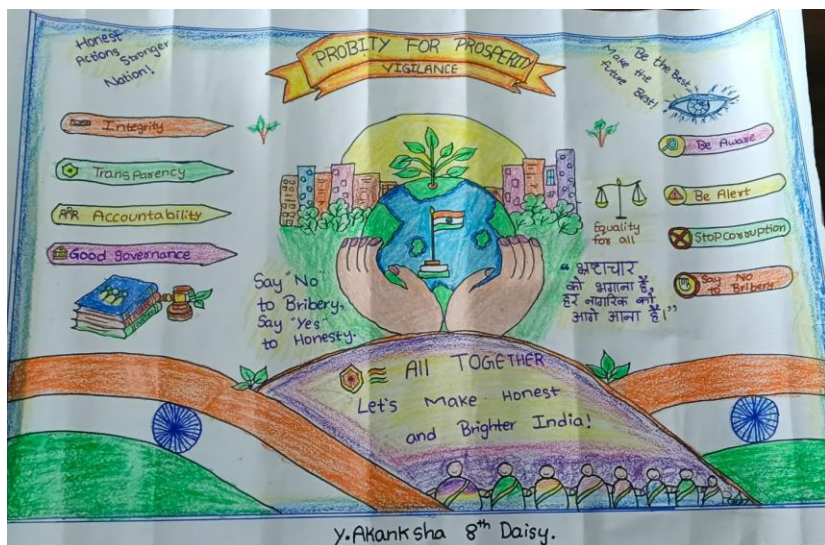

As part of the “Ek Ped Maa Ke Naam 3.0” campaign, students of Class-2 participated in a Mother & Child Plantation Drive with their parents. The initiative encouraged children and families to plant and nurture saplings, while creating awareness about the importance of trees and protecting our environment. Through this meaningful activity, students learned the values of care, responsibility, and environmental conservation. It was a wonderful opportunity for our young learners to contribute towards a greener and healthier future.

Class 2

Poster Making Competition

A Poster Making Competition on the theme “Probity for Prosperity” was conducted on 28 September 2026 for the students of Class VIII during their regular class period. The competition provided students with an opportunity to express their creativity and artistic skills while reflecting on the importance of honesty, integrity, and ethical values in building a prosperous society.

Through their colourful and meaningful posters, the students conveyed powerful messages about the value of doing what is right and upholding good character. The activity was an engaging and meaningful learning experience, encouraging students to combine creativity with values and social responsibility.

Best Out of Waste Competition

A Best Out of Waste Competition was held today during the last period for students of Classes VI to VIII. The competition was organized by the Don Bosco Green Alliance Club to encourage students to creatively reuse waste materials and promote environmental awareness.

Students participated enthusiastically and displayed their creativity by transforming waste materials into useful and attractive items. The activity helped students understand the importance of reusing, recycling, and reducing waste while developing their imagination and practical skills.

The certificates recognised the completion of the First Year, Second Year and Third Year of their Scouts & Guides journey. The occasion was a proud and memorable moment for our students, acknowledging their dedication, discipline, active participation and commitment to the Scouts & Guides movement.

Scouts and Guides Certificate Distribution

The Scouts & Guides Certificate Distribution Ceremony was held on 28 September 2026 at Don Bosco School, Bandlaguda. The certificates were distributed by our Principal, Fr. Nathan, along with the Scouts Masters, to the Scouts and Guides who successfully completed their respective stages of Scouting and Guiding.

Their journey has helped them develop important values such as service, leadership, responsibility, teamwork and self-discipline. The school congratulates all the Scouts and Guides who received their certificates and appreciates their continued enthusiasm and

We wish them every success as they continue to live by the spirit of “Be Prepared” and serve others with dedication.

Congratulations to all our Scouts & Guides!

Cultural Day Celebration UKG

The UKG students of Don Bosco School Bandlaguda celebrated their Cultural Day on 28 September 2026 with great joy and enthusiasm. The celebration provided the young learners with an opportunity to showcase their talents and appreciate the richness of different cultures.

The students presented colorful cultural performances with confidence and enthusiasm, making the occasion lively and memorable. The programmed reflected the creativity, teamwork and joyful spirit of our little ones.

**Congratulations to our students
on winning the**

Football Cup

**at the MELUHA Mahotsav,
conducted by MELUHA International School!**

Well played, team! Your dedication,
teamwork, and hard work have truly paid off.
Keep up the excellent spirit and continue
working hard to achieve many more victories.

**Heartiest congratulations to all
the players!**
